

## Appreciation and Practice of Chinese Language and Culture

With a history of more than 5000 years, Chinese is a language now spoken by one-fifth of the world's population.

Chinese language is the cornerstone of a splendid Chinese culture, involving Chinese literature, calligraphy, music, painting, food, Martial Arts and so forth.

Appreciation and Practice of Chinese Language and Culture is designed for Chinese learners and Chinese culture lovers. The program can be taught in English or Chinese according to the participants' language level. The program includes not only language learning courses, but also lectures and workshops on Chinese music, calligraphy, food, painting and Martial Arts, enabling students to have fun while learning language.

With the field tours of popular Tianjin local attractions, we wish that all the participants would experience Chinese culture and have a good time in Tianjin.
